

# Paf is looking for new co-workers

Paf is a different kind of gaming company. Our profits don't go to shareholders. Instead, they are used to support public good. We are active in six countries, and our 400 employees represent 28 different nationalities.

---

## Customer Support Specialists

Paf's Customer Support Team in Mariehamn is responsible for taking care of our customers and ensuring that the customer experience is as good as possible. We are now looking for **one Latvian-speaking** and one **Finnish-speaking** Customer Support Specialist.

Do you enjoy working in a dynamic environment where daily support operations and new knowledge is in focus? Are you interested in customer communication and gaming? Then you might be just right for one of these roles!
